

# **Registration Guide**

Please note: The person who registers the team will be responsible for updates to the page. If you need assistance, please email Karisa Derdall at <u>kderdall@achf.com</u>.

Once your page is created, all team members and their parents can share the link in their outreach to friends and family!

### What's inside Manage?

**Story:** This is your team's call to action. Your story about why you're doing this. We have written some template text to get you started, but please make it your own! Here you can also write Updates, which function as blog posts to keep donors engaged throughout your fundraising journey.

**Donations:** This is where you can see who has donated to your campaign.

## **Details:** This is where you can change your Team Name so that donors can easily find your team page when they search for it.

Here you can also change your team picture, change your page headline, increase your fundraising goal, and create a short URL, which is useful for sharing or printing.

Example: my.childrenshospital.ab.ca/team/927773 becomes my.childrenshospital.ab.ca/<YourTeamName>

#### **Sharing Your Team Page URL**

Now that the team page is created, you can share it with the parents and, if applicable, all members of the team for them to use in outreach.

#### **Offline Donations**

If supporters want to give you cash or cheques, including a collection of funds, you can contact Karisa Derdall from the Alberta Children's Hospital Foundation at <u>kderdall@achf.com</u>. Individual donations of \$20 or more are eligible for a charitable tax receipt. Please record offline donations using the Hockey Kids Helping Kids pledge form. Once the donations are received by the Alberta Children's Hospital Foundation, they will appear on your Team's fundraising page.
